- deliveries from Storkow to more than 50 countries worldwide
- main customers in Europe, esp. United Kingdom, Portugal

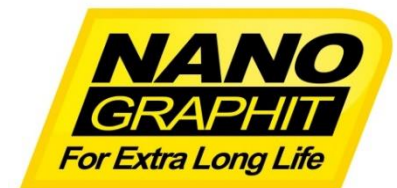

P R E M I U M Q U A L I T Ä T F Ü R A U T O M O B I L E

excellent quality

Excellent quality and cost management

- only natural rubber is used
- continuous quality checks during production
- 100 % quality check before delivery
- outstanding value for money quality

NANO graphite coating

- *protects the wiper rubber perfectly against weather influences and dirt*
- *excellent wiping results and longer life time*

Minimal financing costs and storage place

- patented adapter system
- 16 wiper blade lengths + 11 adapters = 99% coverage of all passenger cars
- You need only 24 inch space at the sale points

your advantage:

less financial costs and storage space

Patented adapter system
